Q9**Own**

Do you own or rent your home?

Q10**Not currently working and not retired**

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Affordability for Vulnerable Residents

Renovation and Construction Decision-Making

Property Tax Burden

We

do not want to move but will be forced to because living in Woodbridge is not tenable as we look to our future as retirees. Seniors with paid off houses should be paying little to no property taxes. We don't need any new schools. Any funding available to build new schools should be spent to compensate teachers more.

Q9

Own

Do you own or rent your home?

Q10

Stay at home parent

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency

 Transparency is very important here. We want the best for our educational system but we also need to understand what this means as a taxpayer.

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency I am hopeful that the committee will allow time for the current staff to speak directly to the needs of the school

- Capital Investment and Asset Preservation
- Renovation and Construction Decision-Making

Property Tax Burden

The last thing Woodbridge residents need is a tax increase caused by building a new school. We thought the last construction at Beecher Road was supposed to last for decades. What happened? Why is that no longer true? Who made that error? Is a new school really necessary or can you do some modified construction and keep our taxes down?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Project Funding and Debt Management

Property Tax Burden

As a recent Beecher parent, I know the education our children are receiving is excellent. While a new school would be nice, the Town has mishandled finances, has done nothing to materially increase the commercial tax base, and the taxpayer burden is already far too high for the services we receive. Unless a new building is funded entirely by grants or is somehow otherwise property tax neutral, I am not in favor of a new build or a significant renovation at this time.

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

Community Engagement and Transparency

Question 8 is missing the option to answer no. Has considerations been given to moving 6th grade to the middle school? I understand that's probably a tri-town decision, but worth exploring as it's done in many towns and the middle schools were designed for 3 grades (previously 7-9 Junior Highs).

Q1 Aware

Prior to receiving this newsletter, how aware were you that the Town of Woodbridge had undertaken an assessment of the current and future educational and facilities needs of Pre-K through 6th grade students in our community?

Q2 Town Meetings, e.g., Board of Education, Board of Selectman
How have you received information about this project to date? Please select all that apply.
,
Town Newsletter,
Word of Mouth,
Social Media or Other,
Town Website

Q3 Very important

How important is it for you to receive information about the Town's ongoing planning for the future of Beecher Road School?

Q4

How would you prefer to receive information about the proposed new Beecher Road School?

Town meetings	Very Helpful
Town newsletter	Very Helpful
Town website	Very Helpful
School newsletter	Not Helpful
School website	Not Helpful
Teachers or other Town staff	Not Helpful
Word of mouth	Somewhat Helpful
Social Media or other source	Very Helpful

Q5

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	High Priority
Improving the learning environment for music, arts, sports, etc.	Moderate Priority
Improving the learning environment for special education	Low Priority
Ensuring facility-wide disability access	Low Priority
Strengthening facility safety and security	Moderate Priority
Increasing energy efficiency	High Priority
Offering flexible and adaptable spaces for community use	Moderate Priority
Assessing cost and tax implications	High Priority
Other (please specify):	Taxes are going to go way up. The town is fiscally a mess.

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Retired

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Renovation and Construction Decision-Making

A new school as opposed to refurbishing the current is being fiscally irresponsible

Q5

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	High Priority
Improving the learning environment for music, arts, sports, etc.	High Priority
Improving the learning environment for special education	Low Priority
Ensuring facility-wide disability access	Low Priority
Strengthening facility safety and security	High Priority
Increasing energy efficiency	Moderate Priority
Offering flexible and adaptable spaces for community use	Moderate Priority
Assessing cost and tax implications	Moderate Priority
Other (please specify):	I'd like to see the class sizes kept small (around 20), so if we need more classrooms to do that, I'm for it. I put energy efficiency as moderately important only because of keeping costs in check.

Q6**6 to 10 years**

How long have you lived in Woodbridge?

Q7**2nd,**

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q9**Own**

Do you own or rent your home?

Q10**Full- or part-time worker**

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency

I think the opinions of people with kids in the school (or who will be in the school)

should be given more weight than the people whose children have already graduated (who already benefited) but now are often against giving back to the next generation the way they were provided to by those before them.

Renovation and Construction Decision-Making

No applied theme*

We went through this process in our former town.

People dragged out the process for over 25 years. Ultimately they moved forward with a new build as renovating was prohibitive for so many reasons. So we are familiar with the issues at hand.

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Renovation and Construction Decision-Making

Community Engagement and Transparency

The biggest hurdle you will face is informing and educating people about why demolition versus renovation. Think about making it relatable. For example, how much it costs to renovate a room or home, or to repair an existing car.

The Special Edition of the Newsletter was excellent. The Special Edition of the newsletter was excellent. It was clear, anticipated, questions, laid out in an appealing way and solicited input and feedback. Kudos on a job well done and look forward to being kept up-to-date on the progress.

Capital Investment and Asset Preservation

It is confusing to us when we think back just 10-15 years ago when major work was done the BRS. That included solar panels, aid conditioning, classroom renovations, major security upgrades. It was a big deal. Now, it's outdated or inadequate. A huge expense at the time that is no longer getting the return in investment that it should.

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

Construction Disruption to Students

This project is fiscally irresponsible. Building on the current site will be extremely difficult, not to mention disruptive. The homes in the area should be concerned regarding blasting that may end up being needed. There is a loan still on the roof. Our school is accessible already and the classrooms are just fine in size- larger spaces will mae it more difficult to monitor the children. The proposed building is not large enough to accommodate the population growth that will occur with apartment buildings being pushed. Do not vote for this.

Other (please specify):	I don't support this project.

Q6

Less than 5 years

How long have you lived in Woodbridge?

Q7

**2nd,
6th**

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Capital Investment and Asset Preservation Rather than build new infrastructure, I would suggest to take good use the pool, either repairing it or renovating it to class rooms.

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

The size of the student body is far too large for meaningful community building. I wish the town had decided to make two schools instead. Given that's not happening, I would prioritize figuring out how to make smaller learning communities through the design of the school...maybe two sides to the building that each accommodate half the student body, with specials area classrooms in the middle so children have the chance to cross paths with classmates from the other team occasionally

Affordability for Vulnerable Residents

Construction Disruption to Students

Property Tax Burden

I do not want them school rebuilt. Where would our children go to school during that time? I cannot afford my taxes to go up again. They already went up \$300/month. We are not wealthy people, even if much of Woodbridge residents are. Beecher does not need to be torn down and built again. If it did, and was unsafe, then it would already be condemned and our children wouldn't be able to attend. Figure it out, PLEASE! My children already endured the Covid days and Distance Learning. They do not deserve more upheaval.

Green Building Features

School Facility Design and Quality

The school system is the draw for Woodbridge

We don't have a useable town center/Main street per se, we don't have sidewalks or easy ways to facilitate a "neighborhood" feeling so the school is what we have. And it brings people to our town. The reputation has always been great. But the building is old, and has problems, and to compete with similarly-sized towns in NH and Fairfield county, we need to at least be in the game. A new school, updated, secure, eco-friendly/green, would be a big draw for our community. Accessibility matters too.

Q1 Aware

Prior to receiving this newsletter, how aware were you that the Town of Woodbridge had undertaken an assessment of the current and future educational and facilities needs of Pre-K through 6th grade students in our community?

Q2 Town Newsletter,
Word of Mouth,
Social Media or Other

How have you received information about this project to date? Please select all that apply.

Q3 Very important

How important is it for you to receive information about the Town's ongoing planning for the future of Beecher Road School?

Q4

How would you prefer to receive information about the proposed new Beecher Road School?

Town meetings	Very Helpful
Town newsletter	Very Helpful
Town website	Very Helpful
School newsletter	Somewhat Helpful
School website	Somewhat Helpful
Teachers or other Town staff	Somewhat Helpful
Word of mouth	Somewhat Helpful
Social Media or other source	Very Helpful

Q5

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	Low Priority
Improving the learning environment for music, arts, sports, etc.	Low Priority
Improving the learning environment for special education	Low Priority
Ensuring facility-wide disability access	Low Priority
Strengthening facility safety and security	Low Priority
Increasing energy efficiency	Low Priority
Offering flexible and adaptable spaces for community use	Low Priority
Assessing cost and tax implications	High Priority

Q6

6 to 10 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Amity Regional Middle or High School

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Property Tax Burden Our son just graduated from Beecher last year, the school is fine the way it is. I'm very concerned about the rapidly increasing property taxes that if continued on it's current track would force us to relocate within a few years.

School Facility Design and Quality

Property Tax Burden

Please consider the tax burden on residents. We are devastated by the rising taxes which may force us to leave the town we love and are invested in. Our family's experience at Beecher Road School and its facilities were more than adequate.

Project Funding and Debt Management I do not think the town currently has the financial ability to take on such a project without increasing taxes on the already overburdened citizen. Unless alternative revenue sources are ensured (not assumed or predicted), Woodbridge is not in the position to build a new school.

Renovation and Construction Decision-Making

How can you say that the committee considered cost estimates for plans (#2) and then say in (#4) cost estimates are being finalized? Sounds like there is no clear comparison yet. Please complete due diligence in securing true and comparable estimates of each project and make that information public before spending 20k of taxpayer money to push an agenda that is not fully researched.

Capital Investment and Asset Preservation

Renovation and Construction Decision-Making

I do not think we need a new school, we are constantly being asked to support Beecher school. We have repaired and fixed many things in the school and now to knock it down at the expense of taxpayers is like throwing money away. Education has always been a priority in this town and I think they should work with what is budgeted like so many surrounding towns.

Affordability for Vulnerable Residents

Property Tax Burden

We have lived in Woodbridge for 50 years. Now elderly and on a fixed income we would like to remain in our home but as a result of the recent reevaluation and continuing tax increases this may not be possible. Of course our children and education are important but try to think of us as well when making decisions that will have a profound effect on our taxes and the ability for people like us to remain in Woodbridge.

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

Project Funding and Debt Management

Property Tax Burden

I am concerned about the impact of a project like this on property taxes. Additionally I would like to know if we are obligated to pay off existing loans on the building and how that will affect residents. Perhaps it is time for us to consider combining our district elementary school with Orange and Bethany. This would reduce staffing costs and other direct educational costs.

School Facility Design and Quality

Community Engagement and Transparency

Please try not to be stupidly trendy, obnoxious and wasteful and then hide behind the phrase “but think of the children...” which just seems to shut down discussion. The Amity Superintendent uses this approach very effectively to gloss over every excess and deflect all critical thinking. I’d hope the residents of Woodbridge could be more thoughtful and considered in their approach.

Capital Investment and Asset Preservation

Renovation and Construction Decision-Making

Beecher Road School

and its campus are tremendous town assets. Tearing down the school and building a new facility seems unwarranted and wasteful. If the building needs improvement, it should be renovated. The idea that a building would be re-sited on the property and sports and recreational areas for the community would be added is difficult to believe. For most of the day, the school doesn't want outsiders on site—understandably.

Special Education and Pre-K Needs

Project Funding and Debt Management

I think it is irresponsible to address changes to the school before addressing other town projects that have been back- burneded, like the police station. Or projects that would attract retailers it generate revenue for the town. I would only be in favor of a new school building project if it was a facility that would address high-needs special education (so that we no longer have to bus and pay for our residents to go elsewhere) and generate tuition revenue from out of town residents or garner state funding

Strengthening facility safety and security	Low Priority
Increasing energy efficiency	Low Priority
Offering flexible and adaptable spaces for community use	Low Priority
Assessing cost and tax implications	High Priority
Other (please specify):	How much will this cost taxpayers?

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency When will we vote on this? This project website says November 2, 2026 But is that true or not? Why is no one being truthful about this? What are you hiding from voters?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Capital Investment and Asset Preservation

Why is such a big project being proposed and what is wrong with the building (besides that some parents and teachers just want a nice, shiny new building). We just spent a LOT of money to renovate and add air conditioning and air purification throughout the building! And new roof too just a couple years ago. When my kids attended we had none of that! And now you want to knock it down and build all over again. And why would you destroy the "Guy Stella Library" and the "Kevin Kusinskas Loop"? I suppose you will knock down the tree planted there in honor of the Hitchcock girls who died tragically on Beecher Road too. You should be ashamed of yourselves for proposing a project like this that IS NOT NEEDED! I will vote NO and will tell all my neighbors and friends to vote NO!

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Green Building Features

It's not good environmental practice to tear down buildings that still are useful to the community.

Please don't scrap Beecher, just improve the parts that need it in a way that's sustainable (green).

Project Funding and Debt Management

When our children went through Beecher, a new state of the art library/media center in the middle of the school was built for a lot of money. It quickly became not useful and we believe became a storeroom. Please make decisions that will be beneficial to children well into the future!

Renovation and Construction Decision-Making

Property Tax Burden

Unfortunately the 1st selectman and his remaining allies have eroded their credibility. My children attended BRS at its peak enrollment - 1000+ - and they did just fine in higher ed and in life. There is no credible justification for a new building of this magnitude. If this is a genuine problem, solution is to setup/build a separate facility for the 6th grade (or K/pre-K) on a much more modest scale. For my kids, BRS was a much nicer facility than the Amity middle school - so what's next? New middle and high schools? Elementary kids grow up! The tax increases are unsustainable.

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	High Priority
Improving the learning environment for music, arts, sports, etc.	High Priority
Improving the learning environment for special education	High Priority
Ensuring facility-wide disability access	Moderate Priority
Strengthening facility safety and security	High Priority
Increasing energy efficiency	High Priority
Offering flexible and adaptable spaces for community use	Moderate Priority
Assessing cost and tax implications	High Priority

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Retired

What is your current employment status?

Q11

Respondent skipped this question

Do you have any other comments, questions, or concerns?

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

Please get teacher input on classroom layout and overall needs. As a teacher myself we are largely not asked about remodels or new buildings and then the needs of our students are not met since someone outside the classroom made the decision. Beecher may want to look into a two floor building (older grades on top) to ensure a teacher is not spending ten minutes walking their students from one side of the building to the other. Thank you for your time.

Construction Disruption to Students

Property Tax Burden

I'm very concerned about the disruption to current students, as well as the cost to the town. Our taxes are already astronomical - rising at a rate that is making things unbearable, and I don't see how this won't increase our taxes further (and by a large amount).

Capital Investment and Asset Preservation Our town and the Amity district desperately need a pool for competitive and recreational use! When we lost the Beecher pool, it was a HUGE loss to the community, including the Amity High School swim team. PLEASE include a pool into the new plans!

Special Education and Pre-K Needs School Facility Design and Quality It would be great to add on grades 7th and 8th to Beecher so the kids don't have to go to Bethany.

Also there should be full time pre-k programs.

Q1 **Somewhat Aware**

Prior to receiving this newsletter, how aware were you that the Town of Woodbridge had undertaken an assessment of the current and future educational and facilities needs of Pre-K through 6th grade students in our community?

Q2 **Town Meetings, e.g., Board of Education, Board of Selectman**
,
Town Newsletter,
Word of Mouth

How have you received information about this project to date? Please select all that apply.

Q3 **Somewhat important**

How important is it for you to receive information about the Town's ongoing planning for the future of Beecher Road School?

Q4
How would you prefer to receive information about the proposed new Beecher Road School?

Town meetings	Somewhat Helpful
Town newsletter	Very Helpful
Town website	Not Helpful
School newsletter	Somewhat Helpful
School website	Very Helpful
Teachers or other Town staff	Not Helpful
Word of mouth	Not Helpful
Social Media or other source	Not Helpful

Q5

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	High Priority
Improving the learning environment for music, arts, sports, etc.	Low Priority
Improving the learning environment for special education	Low Priority
Ensuring facility-wide disability access	Moderate Priority
Strengthening facility safety and security	Moderate Priority
Increasing energy efficiency	Moderate Priority
Offering flexible and adaptable spaces for community use	Low Priority
Assessing cost and tax implications	High Priority

Q6

6 to 10 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Amity Regional Middle or High School

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Stay at home parent

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency

School Facility Design and Quality

Beecher road school should be a more traditional building of 2 stories with minimal wasted hallways and 'atrium-like' spaces. Concentrate your on keeping the building simple and high functioning. Architectural styles come and go so it is safest to stay traditional to be better able to span generations for the community. Sprawling buildings with miles of wasted hallways and atriums and 'work spaces' are not useful. I would like architects plans offered to the community before contracts are awarded.

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

School Facility Design and Quality

Renovation and Construction Decision-Making

The quality of the learning is not measured by the physical building itself. Building a "new" school to improve learning at the cost of the taxpayers is not fiscally responsible. Some of the "best" schools are older buildings!! Invest in teachers and resources first!!

Full- or part-time worker

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Community Engagement and Transparency Enhanced communication (ie. specific emails with subject lines pertaining to this). As a resident whose children are not of age to attend beecher, it will impact me in the future and would be helpful to participate. I heard about this in a neighborhood chat forum.

Q1 Not Aware (proceed to Question 3)

Prior to receiving this newsletter, how aware were you that the Town of Woodbridge had undertaken an assessment of the current and future educational and facilities needs of Pre-K through 6th grade students in our community?

Q2 Respondent skipped this question

How have you received information about this project to date? Please select all that apply.

Q3 Very important

How important is it for you to receive information about the Town's ongoing planning for the future of Beecher Road School?

Q4 How would you prefer to receive information about the proposed new Beecher Road School?

Town meetings	Not Helpful
Town newsletter	Somewhat Helpful
Town website	Not Helpful
School newsletter	Very Helpful
School website	Very Helpful
Teachers or other Town staff	Very Helpful
Word of mouth	Very Helpful
Social Media or other source	Very Helpful

Q5

What would be your priorities for assessing the future of Beecher Road School?

Improving the primary classroom learning environment	High Priority
Improving the learning environment for music, arts, sports, etc.	High Priority
Improving the learning environment for special education	Moderate Priority
Ensuring facility-wide disability access	Low Priority
Strengthening facility safety and security	High Priority
Increasing energy efficiency	Low Priority
Offering flexible and adaptable spaces for community use	Low Priority
Assessing cost and tax implications	High Priority

Q6

6 to 10 years

How long have you lived in Woodbridge?

Q7

3rd

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Private or parochial K-12 school(s)

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Full- or part-time worker

What is your current employment status?

Q11

Respondent skipped this question

Do you have any other comments, questions, or concerns?

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Retired

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

Affordability for Vulnerable Residents

Project Funding and Debt Management

Biggest concern is how town plans to pay for the Beecher project. While I grew up in Woodbridge and returned in 2018, taxes have more than doubled since moving back which is a major concern. I support good schools and education but living in an affordable town is something many seniors would be worried about going forward.

Q11

Do you have any other comments, questions, or concerns?

My husband and I are greatly concerned with the tax implications of building a new school during the worst time that could be done. Tariffs, inflation, high fuel costs will as much as double the cost. CT state and local communities must cover lost funding caused by federal level cuts. I am actually shocked at this being proposed at this time. It is not pragmatic. Lastly but most importantly, how can you get more money from property taxes when Woodbridge just had such a huge hike in taxes? Our property taxes went from \$13,000 to \$19,000 and we can't and won't support anything that raises taxes one more cent. Capital campaigns are usually assisted by school parents, PTA's, we are used to seeing very active PTA's raising six figures annually where we moved from. Do schools reach out to alumni donors? More needs to be done than ask taxpayers.

I am concerned that I haven't heard the argument as to why the existing plan to invest in and upgrade the current school seems to have been abandoned by town leadership. Communications from the town should start with that argument and present the town's understanding of reasons for and against. People like me are tired of getting a partisan representation of issues in our town newsletter where major decisions that haven't been yet made are presented as fait accompli.

This survey is so biased it was not worth taking. The survey is faulty from the premise where 'not building' isn't an option.

Renovation of existing spaces that are not yet paid for should be a priority.

Think outside the box and renovate rather than chucking a building that has years more life in it.

You need space? Build two floors of classrooms in the unused pool!

I resent the hiring of professional consultants with tax dollars intended for student learning.

I vote no on a new school that will put an unbearable tax burden on the residents.

Other (please specify):	Pay off current bonds first!

Q6

More than 20 years

How long have you lived in Woodbridge?

Q7

No, I do not have a child attending Beecher Road School

Do you currently have a child/children attending Beecher Road School? If yes, please indicate the grade level(s) of your children

Q8

Respondent skipped this question

Do you currently have a child/children participating in other Pre-K through 12th grade schooling?

Q9

Own

Do you own or rent your home?

Q10

Not currently working and not retired

What is your current employment status?

Q11

Do you have any other comments, questions, or concerns?

It is completely insulting to talk about spending \$100 million or more for a new school BEFORE the most recent renovations are paid for. We spend millions of dollars on HVAC & sealing the building; to demolish that effort & cart it away to some landfill is the height of government waste. Don't do it!
