Opening Program - 7:15 PM

Welcome – Chris Lovejoy, League of Women Voters of Amity will open the evening with a welcome and brief remarks about the League’s nonpartisan mission and tonight’s format.

*LWV-A would like to remind everyone that this is a **self-moderated event** — an opportunity for neighbors and candidates to model civility, listen with curiosity, and engage in constructive dialogue. In hosting this event, we hope to demonstrate for students and community members how respectful conversation strengthens democracy.*

All First Selectman candidates will be seated together at the front table for the speaking portion of the event. Their under-ticket running mates may be seated at their party or individual tables along the periphery of the room.

Candidate Introductions by Town - First Selectman candidates appearing on the November ballot will be introduced in turn, in ballot order (Row A, B, C where applicable). Each candidate (or designee) will have **up to five minutes** to speak at the podium to:

- Introduce themselves and their running mates,
- Highlight key campaign priorities, and remark on issues most important to their community
(Note: Petitioning and third-party under-ticket candidates will also be announced by LWV-A)
